# MISSION & VISION

## MISSION

To revolutionize logistics with smart technology, dependable service, and customized solutions—ensuring every shipment is on time, traceable, and hassle-free.

## VISION

To be the most trusted and intelligent logistics network that simplifies freight movement for businesses of all sizes.

# ABOUT US

Stellarmoves Logistics Pvt Ltd is a next-generation logistics and supply chain company committed to transforming the way goods move across India. We specialize in providing **smart, efficient, and technology-enabled logistics solutions** that serve both businesses and individuals. With a strong focus on **innovation, transparency, and operational excellence**, we ensure that every shipment—big or small—is **delivered on time, safely, and seamlessly**.

Our integrated platform connects clients with a wide network of **bikes, tempos, and commercial vehicles**, offering flexibility for deliveries ranging from **food, medicine, and groceries to heavy equipment and industrial goods**. Whether it's **B2B logistics management, last-mile delivery, or third-party fleet support**, Stellarmoves delivers with reliability and precision.

Driven by our vision to be **India's most trusted and intelligent logistics network**, we continue to build a future where logistics is **simpler, smarter, and more sustainable**.

## PAN-INDIA LOGISTICS OPERATIONS

Stellarmoves Logistics Pvt Ltd is a technology-driven logistics company redefining goods movement across India.

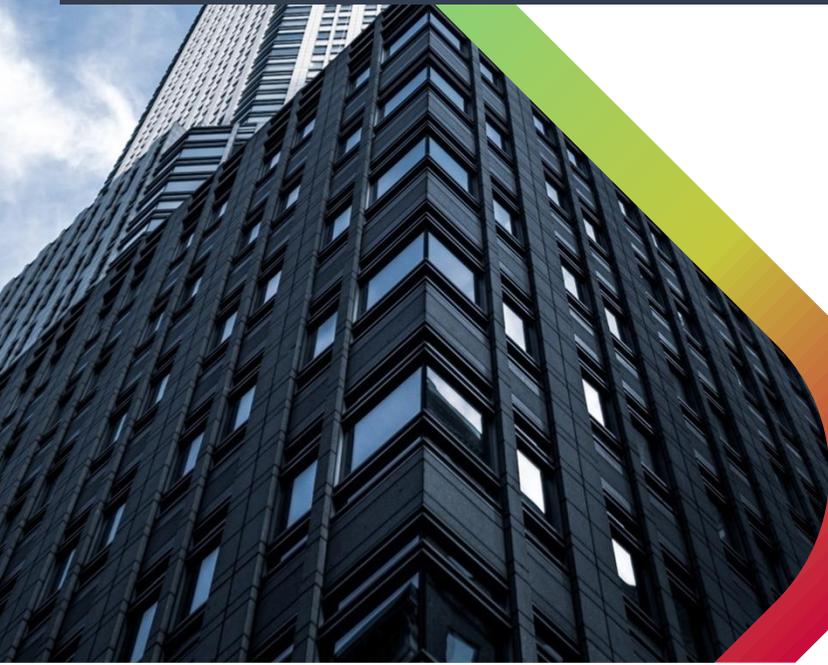

## REAL-TIME TRACKING & TECH-ENABLED DISPATCH

Focused on innovation, transparency, and operational excellence.

## CUSTOM LOGISTICS SOLUTIONS FOR EVERY BUSINESS SIZE

Provides **end-to-end logistics solutions** for **B2B, B2C, and third-party platforms**.

# OUR VALUES

## Integrity

We operate with honesty, accountability, and transparency — ensuring trust in every partnership and delivery we handle.

## Excellence

We strive for operational excellence through teamwork, continuous improvement, and a passion for delivering the best results.

## Innovation

We continuously adopt new technologies and smarter processes to make logistics faster, efficient, and data-driven.

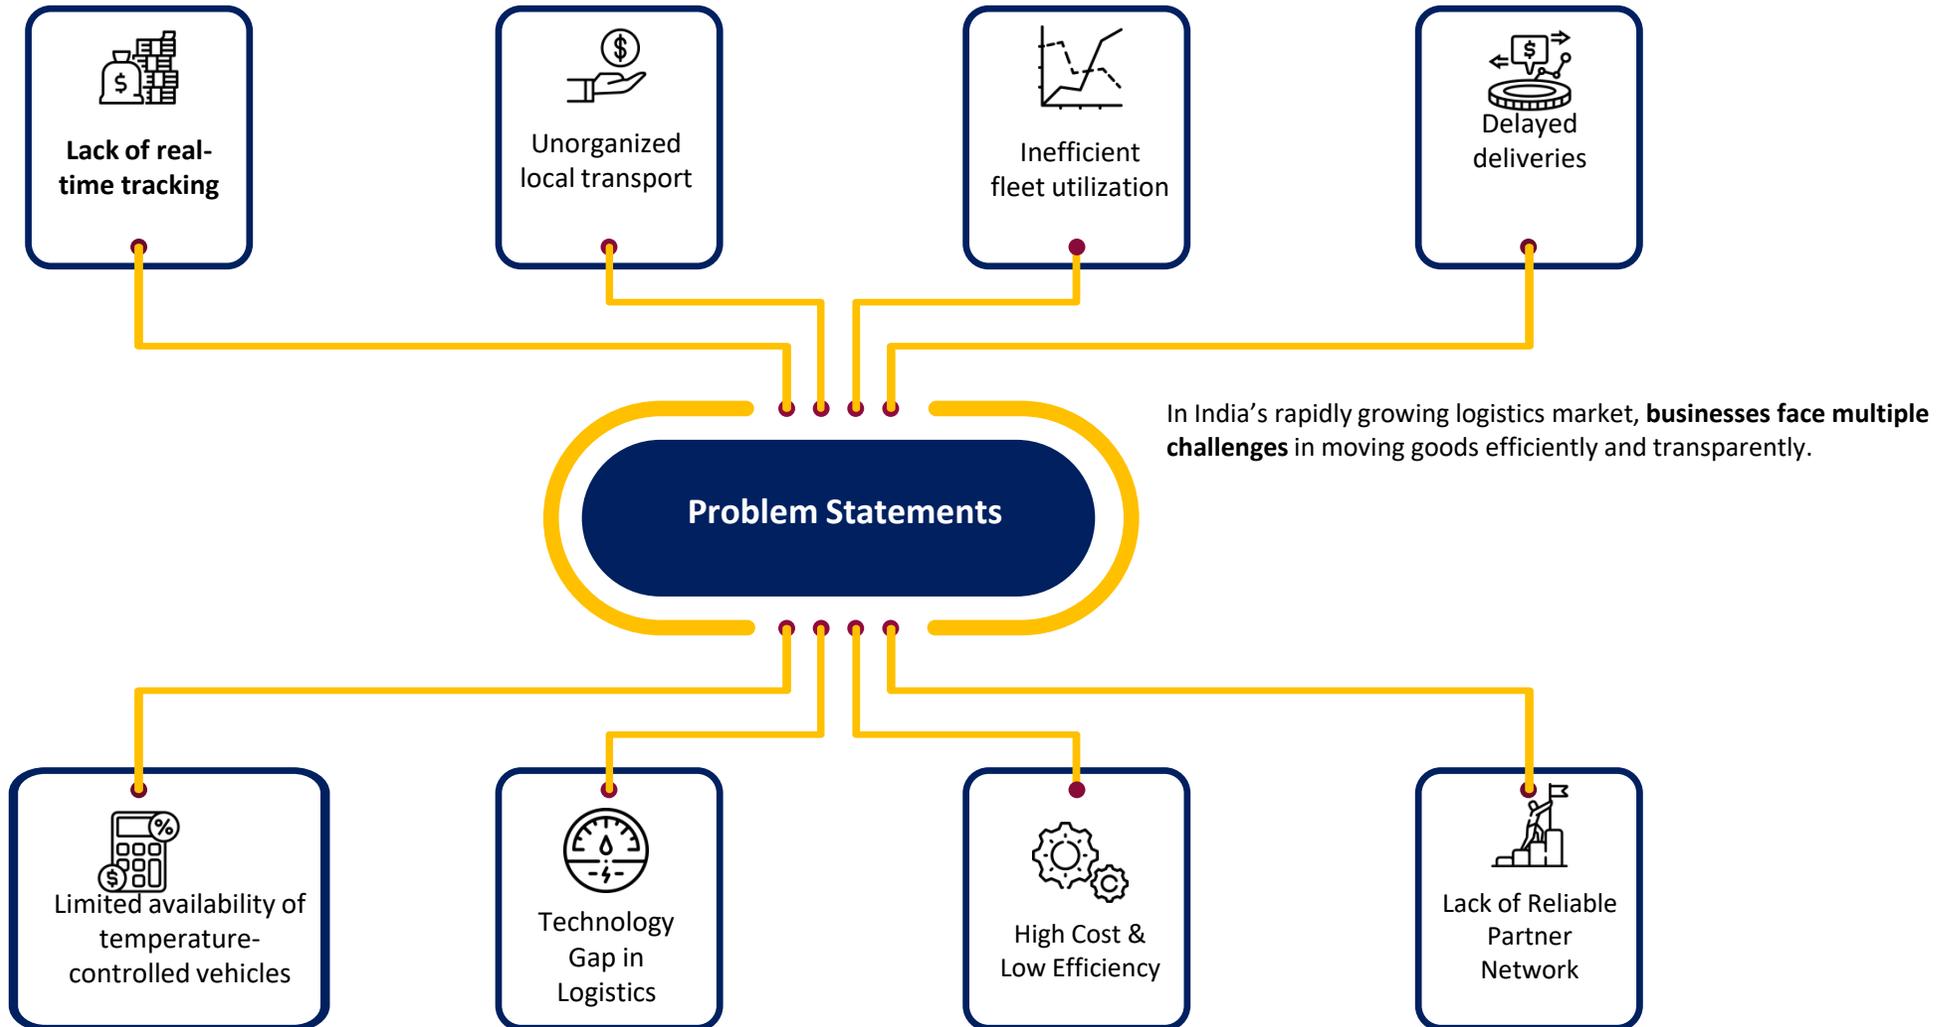

## Customer Commitment

We prioritize customer satisfaction by delivering reliable, timely, and cost-effective logistics solutions every single time.

# PROBLEM STATEMENT

# SOLUTIONS

Technology-Driven Operations

# CHANNEL STRATEGY

*Building Strong, Multi-Layered Distribution Channels for Smarter Logistics*

# MEET OUR TEAM

**Komal Gaddale**  
Founder

**A Komal Gaddale exists**, who is a Director at By Horse, a freight and logistics company. She previously held a role as an HR Executive at Starflex Sealing India Pvt. The results do not, however, indicate 14 years of experience, a founder role, or a specialty in both HR and EHS (Environment, Health, and Safety).

**Several individuals named Komal** are founders or have high-level positions in other companies, but none match the specific profile of "Komal Gaddale with 14 years of experience in HR and EHS".

**Savinay Agasgekar**  
Co-Founder

Savinay Agasgekar is the Founder of Stellarmoves Logistics Private Limited and has over 11 years of logistics and operations experience from his time as a manager at [Flipkart](#).

## Career in logistics

**Stellarmoves Logistics:** Since July 2024, Agasgekar has served as the founder of Stellarmoves Logistics Private Limited. The startup focuses on logistics and operations management and emphasizes team collaboration, project coordination, and cost control.

**Flipkart:** Agasgekar spent over 11 years at Flipkart, where he worked as a manager in logistics and operations. He was involved in team management, supplier coordination, and logistics operations to support the company's growth.

**Flipkart Launchpad:** A significant portion of his time at Flipkart was spent at Flipkart Launchpad in Goa, where he worked as a customer service manager.

**Airtel:** His logistics experience also includes a role as a technical coordinator at Airtel.

# BUSINESS MODEL

Technology + Operations = Seamless Logistics

- **App-Based Booking System:** For real-time delivery scheduling
- **B2B Partnerships:** Contract logistics for SMEs and enterprises
- **B2C Model:** Individual and retail customer deliveries
